About Defamatory Videos and Misinformation

October 30, 2025 – Manila, Philippines – Okada Manila warns the public against certain defamatory videos on YouTube and other online platforms from an anonymous uploader, which are filled with false and unverified claims of alleged irregularities or anomalies in Okada Manila.

We are looking into the persons responsible for the videos as well as the allegations made therein, and will take such legal action as may be warranted.

We urge the public to avoid sharing or spreading rumors and unverified claims. We remind everyone to be on guard against misinformation and fake news, especially coming from persons hiding under the cover of anonymity.
