

PhilWeb Corporation Partners with Tiger Resort, Leisure and Entertainment, Inc. to Launch “OKADA PLAY” Online Gaming Platform

Manila, Philippines — 18 March 2026 — **PhilWeb Corporation (PSE: WEB)**, one of the country’s most established gaming service providers, today announced a strategic partnership with **Tiger Resort, Leisure and Entertainment, Inc., the operator of Okada Manila**, to introduce a new online gaming platform under the brand **OKADA PLAY**.

Under the agreement, PhilWeb will deliver a comprehensive Online Gaming Platform (OGP) solution for OKADA PLAY, encompassing a full suite of gaming content, platform technology, customer service infrastructure, and marketing support. The partnership marks a significant step in expanding Okada Manila’s footprint into the digital gaming space, reinforcing its position as a leading premium integrated resort in the Philippines.

OKADA PLAY is positioned to emerge as a strong challenger in the country’s competitive online gaming market, offering a differentiated, high-quality digital experience aligned with the premium standards of the Okada Manila brand. Leveraging PhilWeb’s proven expertise in regulated gaming platforms and nationwide operations, the collaboration aims to deliver a seamless and engaging user experience to a growing base of digital players.

“This partnership reflects our continued commitment to providing best-in-class gaming solutions to industry leaders,” said Mr. Brian Ng, President of PhilWeb Corporation. “By working with Tiger Resort, Leisure and Entertainment, Inc., we are enabling the extension of a globally recognized luxury gaming brand into the online space through a robust and scalable platform.”

“OKADA PLAY marks a strategic step in scaling our digital gaming presence and reinforcing our leadership in the market,” said Nobuki Sato, President and COO of Okada Manila. “By expanding our platform portfolio through this partnership, we are able to reach new player segments while continuing to elevate the premium digital experience associated with the Okada brand.”

The launch of OKADA PLAY is expected to support Okada Manila’s broader digital transformation strategy, enhancing customer engagement beyond its physical property while complementing its existing online platforms and capturing new revenue opportunities within the regulated online gaming ecosystem.

As the Philippine gaming industry continues to evolve, the PhilWeb–Okada partnership underscores the growing convergence of land-based and digital gaming, with technology and premium content playing a central role in shaping the future of the sector.
