Okada Green Heart: Your Food is Sustainably Made

At Okada Manila, we're committed to serving food that's both exceptional and responsible. Through our Okada Green Heart program, we prioritize fresh, sustainably sourced ingredients in every dish. Most of the produce we use is locally grown in the Philippines, and we partner with local farmers to offer a growing selection of plant-based dishes across our restaurants.

We also focus on responsibly sourced seafood and ensure that our eggs and meats come from cruelty-free environments.

Our commitment extends beyond food. We've reduced plastic use, eliminating stirrers and straws, and actively participate in food rescue programs to reduce waste and help fight hunger in nearby communities. Additionally, we upcycle materials to further minimize our environmental impact.

Enjoy your meal, knowing it's prepared with sustainability, care, and responsibility in mind.

Omakase is a Japanese term that translates to “I leave it up to you,” reflecting a dining experience where guests entrust the chef to create a personalized menu.

In Japanese cuisine, *omakase* allows the chef to select and prepare dishes using the finest seasonal ingredients—often featuring items not found on the regular menu.

At Kappou YOSHI, omakase is served exclusively as a **dinner course**. It includes an appetizer, soup, sashimi, a variety of main dishes prepared with different cooking techniques and proteins, rice or noodles, and dessert.

The **Omakase Dinner Course** is **offered at PHP 12,000 nett per person** and requires a minimum of one-day advance reservation. When booking, we encourage you to share your dietary preferences or any ingredients you need to avoid due to allergies or restrictions. Please note that the omakase course is **not available every Wednesday and Thursday**.

To reserve your omakase experience, please contact us at +632 8555 5799 or Kappou.Yoshi@okadamanila.com.
