Okada Green Heart: Your Food is Sustainably Made

At Okada Manila, we're committed to serving food that's both exceptional and responsible. Through our Okada Green Heart program, we prioritize fresh, sustainably sourced ingredients in every dish. Most of the produce we use is locally grown in the Philippines, and we partner with local farmers to offer a growing selection of plant-based dishes across our restaurants.

We also focus on responsibly sourced seafood and ensure that our eggs and meats come from cruelty-free environments.

Our commitment extends beyond food. We've reduced plastic use, eliminating stirrers and straws, and actively participate in food rescue programs to reduce waste and help fight hunger in nearby communities. Additionally, we upcycle materials to further minimize our environmental impact.

Enjoy your meal, knowing it's prepared with sustainability, care, and responsibility in mind.
